What you receive

We provide you everything you need to get online. Installation, Shipping of the Modem and ongoing support for your unlimited internet connection. *Free of charge.*

What we need from you

Its important we have your household details such as name, **phone number**, address, student name and school.

This allows Fusion Networks to organise technicians to deliver the right connection to your home.

What happens next

- 1.** Please ensure the school has your current number in order to receive a call from Fusion to set up your connection.
- 2.** Fusion send a modem to your house with instructions for you to connect
- 3.** Your local fibre company will let you know when they have installed your connection line
- 4.** You are ready to go! Contact Fusion on 0800 368324 if you need further technical support
